

AITP SCHOLARSHIP APPLICATION

Criteria and Procedures

The AITP Scholarship Committee will award one (1) scholarship of \$1000.00 per semester.

This scholarship will be awarded to a person possessing the following merits:

CRITERIA

1. AITP Scholarship recipient must be a full-time student at BPCC.
2. AITP Scholarship recipient must be a student with a course of study resulting in an associate degree in Computer Information System.
3. AITP Scholarship recipient must meet and maintain the same academic and course-load requirements as any other recipient of a BPCC Scholarship (See below).
4. Student must **not** be receiving any other type of financial assistance.

PROCEDURES FOR APPLYING FOR THE AITP SCHOLARSHIP

1. Applicant must submit a letter requesting the scholarship. This letter must explain the circumstances surrounding your request for this scholarship. Attach all required documents to the Division of Business and Computer Science Office and submit by the deadline.
2. The AITP Scholarship Committee reviews applications.
3. The AITP Office will mail award and denial letters to applicants.
4. The AITP Office will notify Financial Aid Office of recipients as scholarships are awarded.

BPCC SCHOLARSHIP REQUIREMENTS

- Student must have a 2.500 GPA on all college work; and
- Student must be enrolled in 12 credit hours (full-time) at BPCC; and
- Student must demonstrate a special or unusual financial need as determined by the Committee; or
- Student possesses talents that are desirable and will lend credibility to the College; or
- Student has other special circumstances existing, which warrant the issuing of a scholarship award.
