**Section A. Important Financial Aid Information/Authorization**

\_\_\_\_\_ I understand, once I **complete** my file, it will take the Financial Aid Office **at least 10-12 weeks** to process federal  
**(initial)** financial aid.

The BPCC Financial Aid Office reserves the right to review your award package at any time. Awards are made based upon the anticipated enrollment as stated on your Free Application for Federal Student Aid (FAFSA). All awards are subject to modification should your financial aid status or your enrollment status change. If at any time you become ineligible for all or a portion of your financial aid award, BPCC reserves the right to charge your student account as necessary.

The student may authorize BPCC to apply Title IV awards to other educational charges incurred, such as books, parking tickets, library fines, community education charges, prior-semester balances, prior-year balances, etc. Also, if the student account has a credit balance, the student may authorize BPCC to apply the balance to any outstanding charges such as return of Title IV funds, library fines, parking tickets, etc.

**By my signature below, I AUTHORIZE BPCC to apply Title IV awards to other educational charges such as:**

- books, Return of Title IV funds, library fines, parking tickets,
- community education charges, placement tests, parking permit,
