

***“Bossier Parish Community College: “It’s About You...”  
Our Business Partners Too”***

A Message from Chancellor Jim Henderson

Dear Friend of BPCC:

As the new Chancellor, I consider it an honor and a privilege to represent this great institution and the dedicated group of individuals who work so hard to maintain BPCC as the premier source of community education for Northwest Louisiana. Community partners encompass a strong segment of that support base.

For more than 40 years, BPCC has “grown to serve to serve the needs of our citizens. Today, over 5,000 students make BPCC their choice for higher education. Students are taught in a world-class, \$55 million facility and in an environment that allows them to excel academically and prepare for successful careers. Since 1997, the BPCC Foundation, with help from community partners, has donated over \$400 thousand to the school to support student scholarships and to strengthen academic and workforce programs. BPCC has truly evolved to serve the total needs of our community.

Now, **tough economic times and lay-offs threaten the future lively-hood for many of our citizens.** Therefore, I am asking for your help. Please donate to the Annual Drive ***“BPCC: It’s About You.”*** Together, we can ensure that BPCC’s legacy of creating futures through higher education endures. Your gifts will be used to support student scholarships for incoming freshman, put many un-employed workers on track for a new career, and help strengthen our local economy. In addition, we know that well-educated individuals contribute to a well-educated workforce.

I am excited about the future of Bossier Parish Community College and the ever-expanding partnership that exist within our community. Thank you for considering our request and for your continued support.

Respectfully,  
*James (Jim) Henderson*  
BPCC Chancellor
