THE BPCC FOUNDATION, INC.'S

2012 ANNUAL DRIVE: "Embracing, Educating, Empowering"

PLEDGE FORM

Thanks to the generosity of community partners like you and loyal BPCC Alumni and friends, BPCC Foundation **awarded 50 scholarships to deserving students last year!** These were life-changing awards that lifted financial burdens and granted access to a college education to students who could not afford the cost of tuition and fees. Over the years, BPCC has changed many lives, thereby empowering students to take control of their destiny. One life-changing example is alumnae and BPCC employee, Roxie Johnson.

See video of "Roxie's Story" now at www.bpcc.edu/foundation/annualdrive

Like Roxie, there are many others just waiting for their dreams to become reality. The Annual Drive is officially underway. Make your pledge today and together you, Roxie, and BPCC will continue to change lives.
