

Grant Inquiry Form

At BPCC, the Grants Office is available to help faculty and staff match their ideas for projects and programs to appropriate funding opportunities; create a written proposal that conveys necessary information; and compile a comprehensive proposal package that is compliant with College policy and the funding agency's regulations. If you're interested in applying for a grant, just fill out a **Grant Inquiry Form** and refer to the **FAQ** page on our webpage, which also contains helpful information related to submitting a grant proposal.

The first step of the grant development process begins when an administrator, faculty member, staff member or the office learns of a grant opportunity to fund an existing project idea or an area of need at the College. From here, the grant development process proceeds as follows:
