The mission of Bossier Parish Community College is to promote attainment of educational goals within the community and strengthen the regional economy. This mission is accomplished through the innovative delivery of quality courses and programs that provide sound academic education, broad vocational and career training, continuing education, and varied community services. The College provides a wholesome, ethical, and intellectually stimulating environment in which students develop their academic and vocational skills to compete in a technological society.

To achieve its mission of instruction and service, Bossier Parish Community College is committed to:

• Offering associate degree programs, one- and two-year occupational certificate programs, and specialized career training.

• Delivering education and training/retraining through technical programs, workforce development, community education, and non-credit courses to serve citizen, business, and industry needs.

• Providing opportunity to earn academic college credits for articulation to other institutions of higher learning.

• Providing developmental studies and remedial programs that enable students to acquire basic skills.

• Utilizing a comprehensive program of student services.
