

BPCC LEADER CALL

VOLUME 2, ISSUE 1 SEPTEMBER 22, 2006

A NEW YEAR

It is a new year and BPCC is already a buzz with activity from all the student organizations.

The activity began in the Summer with New Student Orientation welcoming a brand new batch of students to the BPCC campus.

Many Student Organizations used the summer to prepare for the upcoming Fall Semester.

The BPCC Leader Call is your source for everything that the Student Organizations are doing around campus.

It is also a way for the Student Organizations to recognize some of its members for their accomplishments.

This publication will be sent out monthly.

As always, we expect great things from our Organizations and we

Join Captain Cavalier for another great year at BPCC!!!

know that they will accomplish great things.

THE WIND THROUGH YOUR HAIR

Several students and faculty/staff members came out and enjoyed the festivities.

We want to say thank you to all the Student Organizations that participated in the event.

We look forward to working with all the

groups again in the future.

DO YOU KNOW YOUR SGA?

Even Captain Cav knows the importance of a good education.

The beginning of a new year also marks the beginning of a new group of SGA members.

Like most years, there is a good mix of old and new faces in and around the SGA office.

The SGA Executive Officers are Lacey Pritchard, President;

Kamesha West, Vice President; and Brookie Hanson, Secretary/Treasurer.

Other members of the SGA are Angel Arnold, Crystal Cooper, Daniel Whitefield, David Newsome, Drew Morehead, Jamie Moore, Keawaii Crow, Lee Lewis, Marisa Roberson, Natika Lee,

Orsvonyatta Doty, Sabrina Durham, Shalove Robinson, Taylor Prestwood, Tiffany Davis, and Victoria Rodney.

The SGA serves as advocates for all members of the BPCC population. They also assist in planning activities to help relieve stress of the students throughout the year.

A community is like a ship; everyone ought to be prepared to take the helm.

HELPING HANDS

Hands on Wellness students have already participated in many fundraising, professional development, and community service activities.

Members competed in the Firehouse 5K race to raise money for area Fire Departments, raf-

filed a BPCC Bookstore gift certificate and other items during fall registration, sponsored a "*Hands on Wellness*" night at El Chico's and attended the S'port District LPTA meeting.

The group's activities during the fall include attending the state

physical therapy association meeting in Baton Rouge, participating in several more 5K events across the area, assisting with the BPCC Health Fair, and raising money for St. Jude Children's Research Hospital.

SHOW YOUR SPIRIT

Cavalier Cheerleaders and Ladies In Gold Danceline attended the UCA three-day summer camp at the University of Alabama in July in Tuscaloosa, AL.

The cheerleaders received a Superior trophy and the danceline

received a trophy for Most Improved Squad.

Both squads are preparing for a full schedule of performances at home basketball games, area schools, festivals, and special events throughout the year.

Both squads will be

performing at the National Kids Day celebration on Saturday, September 23rd at Mitchell Park and at all home basketball games.

If you would like for either or both squads to perform at your event, please contact Marjoree Harper at 678-6144.

A good cheerleader is not measured by the height of her jumps but by the span of her spirit.

WINDY CITY STARS

The Bossier Parish Community College Cavalier Players traveled to the Chicagoland area August 24-28 to remount the Theatre Arts Program's summer production of the comedy, *PVT. Wars*.

The weekend of performances was a joint production with BPCC theatre and the Canterbury Summer Theatre, a professional non-Equity summer stock theatre in Michigan City, Indiana.

The play featured the talent of Cavalier Players Carl Dennis, Porter Gandy, and Jack

Shields. Tonya Free, Keith Bruce, David White, and Corey Sognier also accompanied the troupe to offer technical support (see picture below). Dr. Ray Scott Crawford, Associate Professor of Theatre, directed the play. Crawford is also Artistic Director of the Canterbury, a position he has held for over twenty years.

Dr. Crawford states, "Last summer we co-produced with the Canterbury Summer Theatre a production of *Love Letters* as the final production of the theatre's summer stock season. This year we were excited to continue that tradition by taking our students in this pro-

duction to complete this year's season of six musicals and comedies, providing a professional venue for a BPCC production and a professional opportunity for our students."

Plans are already in the works to take one of next summer's BPCC productions, *Parallel Lives*, to the Canterbury to continue the tradition.
