BLGY 225	Human Physiology					
BLGY 225L	Human Physiology Lab					

Instructions for completing this form:

- If you are a transfer student, official copies of your transcript(s) must have been received by the BPCC admissions office and be accessible in the BPCC "system" by the application deadline date (April 15th) in order for your packet to be considered.*
- Obtain (print) a **student (unofficial) copy** of your transcript from the BPCC website (CAVS).
- Locate each attempt of the courses listed on this form and **highlight them** on that unofficial transcript. Attach that **highlighted student copy** to the back of this form. This verifies YOUR selection of courses that you wish to have computed in your application score in the event that you have taken more than one acceptable course for a prerequisite.
- If you are currently enrolled in courses that you will not finish until the spring or summer (June, session "B" only) semester, you may place "IP in the box for grade indicating that these courses are still in progress.
- All courses listed above must be completed with a C or higher prior to consideration for enrollment in the PTA Program.
