

Student ID Cards

All students must have a valid student ID card. Student ID cards may be obtained during general registration hours and during times scheduled by the Office of Student Life (F-220). Student ID cards are used for admittance to various BPCC functions, are recognized by cooperating community businesses for student discount privileges, and are **mandatory** in order to use the BPCC Library and the Technology Resource Center (TRC). To ensure the safety and security of all of our students, all BPCC students are required to have their student ID in their possession at all times while on campus. Campus Security and College Administrative personnel have direct authority to request a student to produce a student ID. Failure or resistance on the part of the student to produce a valid student ID may result in disciplinary action. Student IDs are the property of BPCC. Lending an ID to anyone or failure to show a student ID to any College representative upon request is a violation of College regulations.
