RE: Urgent: Session B final exams & Session C start dates updated

Because of the March 9th and 10th closings due to inclement weather, Session B final exams will be given as follows:

  Session B final exams will be Monday, March 14th for day and evening classes.
  Grades for Session B will be due by noon on Wednesday, March 16th.

Because Session B Finals have been extended, Session C will begin as follows:
