Sexually-Oriented Criminal Offenses to report - Include any sexual assault offenses as defined in R.S. 44:51 and any sexual abuse offense as defined in R.S. 14:403 that the agency needs to report.

Question 2: Does your agency have any reported sexual assault collection kits in the agency's possession? *

☐ Yes ☐ No

A kit that contains a human biological specimen or specimens collected during a forensic medical examination from the victim of a sexually-oriented criminal offense who reported the crime to law enforcement.

Question 3: Does your agency have any unreported sexual assault collection kits in the agency's possession? *

☐ Yes ☐ No

A kit that contains a human biological specimen or specimens collected during a forensic medical examination from the victim of a sexually-oriented criminal offense who declined to report the crime to law enforcement.

Question 4: Number of sexually-oriented criminal offenses reported in 2022? *

Number of victims of a sexually-oriented criminal offense who reported the crime to law enforcement. The total of 5-A through 5-D should equal the total number entered for Question 4.

Question 5-A: Number of sexually-oriented criminal offense case reported by status - OPEN *

Number of investigations that are still in open status.

Question 5-B: Number of sexually-oriented criminal offense case reported by status - CLOSED *

Number of investigations that have been concluded - with or without an arrest.

Question 5-C: Number of sexually-oriented criminal offense case reported by status - SUSPENDED *

[Home](#)[Publications](#)[Boards](#)[Surveys](#)[Links](#)[Contact Us](#)

Number of investigations that are unfounded, undetermined, or referred out. (i.e., referred to the District Attorney's office)

Question 5-E: Describe OTHER

Question 6: Number of reported sexual assault collection kits received? *

Number of kits that contain a human biological specimen or specimens collected during a forensic medical examination from the victim of a sexually-oriented criminal offense who reported the crime to law enforcement.

Question 7: Number of unreported sexual assault collection kits received? *

Number of kits that contain a human biological specimen or specimens collected during a forensic medical examination from the victim of a sexually-oriented criminal offense who declined to report the crime to law enforcement.

Question 8: Number of reported sexual assault collection kits requiring analysis? *

Number of kits that need to be submitted to the crime lab to be analyzed, because the victim reported the crime to law enforcement.

Question 9: Number of sexual assault collection kits submitted for analysis? *

Number of kits that have been submitted to the crime lab to be analyzed, because the victim reported the crime to law enforcement.

Question 10: Number of reported sexual assault collection kits requiring analysis, but not submitted to a crime lab (backlogged)? *

Number of kits that need to be submitted to the crime lab to be analyzed, but has not been submitted to the crime lab because the victim declined to report the crime to law enforcement.
