3 INT. MUSEUM-BEVERLY'S OFFICE - DAY

3

Beverly sits at her desk and Hope sits across from her. Beverly acts half interested as she converses.

BEVERLY

So, how was your trip here?

HOPE

It's my first time in a new state, so my stomach has been in knots for days. But the trip itself went pretty smooth. I still have so many boxes to unpack.

BEVERLY

(dismissive) Mmmhmm. To get started, your first job will be to conduct an inventory of the collection. So I would like to make sure that everything is accounted for. It will take a good deal of time, hope you didn't make plans for this weekend. Also, there's...

Hope's phone DINGS. Beverly looks bothered.

HOPE

I'm so sorry.

Hope takes her phone out of her PURSE and turns it to silent.

BEVERLY

This would be a good time to discuss our phone policy. Staff are not allowed to carry phones on their person. You will find that I run a tight ship here. I can't have a single person not focused on their job.

The door to Beverly's office is open, but there is a knock and Frank, pops his head in the doorway.

FRANK

You wanted to see me?

BEVERLY

Yes. Hope, this is Frank. He is our museum assistant and will be helping you with the inventory.

Beverly annoyed, turns back to her computer to work. Frank continues to stand there.

BEVERLY

(snaps) Take her to her office and then the archives. I'll get her a key Monday.
