A memorandum of Understanding between Bossier Parish Community College (Central Louisiana Technical College, Natchitoches Campus), Natchitoches Police Department, Natchitoches Parish Sheriff's Office, and the Natchitoches Parish District Attorney Office.

Bossier Parish Community College is requesting from Natchitoches Police Department and Natchitoches Parish Sheriff Office authorization for its Chief of Campus Police to be allowed access to any and all offense reports (IAW Public Records Law) of criminal activity occurring on or in facilities owned or operated by Bossier Parish Community College for the purpose of complying with Public Law 101-542, Title II, The Student Right To Know and Campus Act of 1990 and all Title IX requirements as required by law. This Act requires an institution to collect information on the campus of murder, rape, robbery, aggravated assault, burglary, motor vehicle theft, liquor law violation, drug abuse violations, weapon possessions and any and all power-based crimes. The information obtained will be for the purpose of preparing, publishing, and distributing this statistical information to all current students and employees, any applicant for enrollment or employment and the Uniform Crime Report. The content of these reports shall be held in strict confidence, kept under lock and key and will not be released to anyone. All parties reserve the right to redact case sensitive information.

Bossier Parish Community College is requesting from Natchitoches Parish District Attorney to be advised of any prosecution and final disposition of any power-based crimes related to Bossier Parish Community College when possible.

Bossier Parish Community College agrees that all Campus Police Officers shall receive training in Power Based Crimes. All Law Enforcement Parties in this MOU agree that all Officers shall receive training as to maintain standards as prescribed by law to keep Louisiana Post Certificate.

Bossier Parish Community College agrees that all evidence recovered, received by said shall be either secured in an evidence locker at Bossier Parish Community College or released to law enforcement agency investigating complaint
