Post-Graduate Survey for A.A.S Information Network Security Specialist Program

The Information Network Specialist program focuses on the design and implementation of computer networks and associated software, to maximize productivity in a live production environment. The program prepares individuals to function as entry level network specialists, and includes instruction in operating systems and applications; systems design and analysis; networking theory and solutions; types of networks; network management and control; network and flow optimization; security; configuring; and troubleshooting. This survey is designed to help faculty determine the strengths of the degree for Associate of Applied Science as well as many other areas that need improvement. All data will be kept confidential and will be used for program evaluation purposes only.

* Required

Last Name: *

First Name: *

Current Phone Number: *

Alternate Phone:

Street Address: *

Street Address (second line):

City: *

State: *

ZIP: *

E-Mail Address:*

In which month did you complete your degree at BPCC?*

Which year?*

At the present time, are you:*

- Employed
- Unemployed
- Attending College

If employed, are you:

- Full-time
- Part-time

If you are employed, what is your current salary?*(Please check which applies)

- 0-10 K
- 10-20K
- 20-30K
- 30-40K
- 40K or more

Do you feel the networking skills you acquired at BPCC adequately prepared you for your current employment?*

- Yes
- No
- I'm not working in a networking occupation

If you answer is no, what areas of networking do you think should be included in the

program?

If you are working in the networking field, is your job what you expected based on the knowledge you gained at BPCC? (please comment

below)

Have you pursued further education since leaving BPCC?*

- Yes
- No

If so, where?

If you have attended college, what field have you studied?

If you have received further credentials since your graduation, please list below what you have

received?

Have you received further certifications since your studies at BPCC?*

- Yes
- No

If so, please list which ones you have

earned.

Please identify what you think are the strengths of the Networking

program.

Please provide any comments or suggestions you feel would better prepare future

graduates.

Please rate your overall satisfaction with the program.*

- Satisfied with the program offered.
- Dissatisfied with the program offered.
- Needs improvement.

Bossier Parish Community College - Computer Information Systems Post - Graduation Survey

The primary mission of the Division of Technology, Engineering and Mathematics is to enable students to develop their academic and job skills to compete in a technologically advanced society. This survey is designed to help the faculty determine the strengths of the degree for Associate of Applied Science in the Division of Technology, Engineering and Mathematics as well as any other areas that need improvement. All data will be kept confidential and will be used for program evaluation purposes only.

* Required

Name:*(Last name, then first)

Current Phone Number: *

Alternate Phone:

Current Address:*(Include; City, State and Zip

Code)

E-Mail Address:*(Please include any alternate e-mail

address)

1. At the present time, are you:(Please check which applies)

- Employed

- Unemployed
- Attending College

2. If you are employed, please list your

employer(s):

3. If you are employed, please list your

title/occupation:

4. If you are employed, what is your current salary?(Please check which applies)

- 0-10K
- 10-20K
- 20-30K
- 30-40K
- 40+

5. If employed are you:

- Full Time
- Part Time

6. If employed, please check years of employment:

- 1-2 years
- 2-3 years
- 3-4 years
- 4-5 years

- 5 or more years

7. Have you pursued or are you currently pursuing further education since leaving BPCC?

- Yes
- No
- Unsure at this time

8. Please list the College(s) or University(s) you've

attended:

9. If you are currently pursuing or have pursued further education since leaving BPCC, please list your area of

study:

10. Have you received further credentialing after your graduation?

- Yes
- No

11. If you have received further credentialing, please list below what you have received:

12. How many certifications did you acquire during your studies at BPCC?

13. How many additional certifications have you acquired since you left BPCC?

16. Overall program satisfaction:
- Satisfied with the program offered.
 - Dissatisfied with the program offered.
 - Needs improvement
